## Strike Action Update – 15<sup>th</sup> and 16<sup>th</sup> March 2023

Dear Parents, Carers and Guardians

Following on from my previous letter dated 28<sup>th</sup> February 2023 advising you of the proposed strike action on the **15<sup>th</sup> and 16<sup>th</sup> March 2023**, I am writing to confirm that the planned strike action is **NOT going ahead** on those dates.

Following meaningful consultations between the National Education Union (NEU) and the Welsh Government, a new, revised and fully funded pay offer will be put to teacher members. As a result, the strike days scheduled for this week on the 15<sup>th</sup> and 16<sup>th</sup> March have been called off. School will therefore be open to all pupils on these dates.

Thank you for your continued support as always.

Yours sincerely

John Weir
