

21st November 2016

Dear Parents and Carers

I am pleased to inform you the annual report for Parents and Carers is ready and hope that you find the information contained within the report helpful. It is available on the school website and hard copies are available from the school on request. If after reading the report you do have any questions that you would like to direct to the governors please contact Lynette Evans, Clerk to the Governors.

The school has gone through considerable change in 2016, not least the move to the new building in September. Whilst work is still being carried out on the site with the demolition of the old building I am sure that we all agree that the new building and campus is looking great. Special thanks goes to everyone involved with the project and the move. We have a new name "Ysgol Treffynnon" and a new logo – Inspire, challenge and succeed! 2016 also saw the last of our sixth form pupils attending the school but I am pleased that the school has maintained the position of Head and Deputy Head Boys and Girls with Year 11 pupils also having a new tie.

The Estyn Report in January 2016 highlighted significant areas for improvement. The school has fully accepted the recommendations and I am pleased to report that following the last Estyn visit, improvements have been acknowledged and are ongoing. I would like to assure all of you that our constant aim is to provide the best education we can for your children in a safe and happy environment. Our overall aim is to make Ysgol Treffynnon a centre for sector leading practice.

Our exam results have improved and there is optimism for the future. To succeed we need your support and I would encourage you all to attend parents' evenings, the annual prizegiving ceremony, the events organised by the Friends of Ysgol Treffynnon and the Christmas Concert. Whilst a little early I would like to take this opportunity to wish you all a Happy Christmas and a prosperous New Year.

On behalf of the Governing Body I would like to thank the Headteacher and all the staff for their hard work and commitment to the school.

Finally I would like to thank the students. The school is proud of your achievements and the community should be proud of you.

Yours sincerely

Mark Evans
Chair of Governors
