

YSGOL TREFFYNNON
SCHOOL GATEWAY RE-LAUNCH

We are pleased to inform parents that we are re-launching the 'School Gateway' service. Following some technical issues since the introduction of the new service in November, I am pleased to advise that these have now been resolved.

This means that you will be able to make online payments for school meals via the School Gateway smartphone app or website. You will be able to view school meal balances and top them up at any time. School Gateway will make it easier for parents/carers to pay any time 24-7 and reduce the amount of cash being carried by children on school premises.

Online payments to school via credit or debit card

Parents will be able to pay for school meals online through the new system called the 'School Gateway'. The system will require to use the most up-to-date contact details for you i.e. email address and mobile telephone number.

We hope that you will find School Gateway to be a fast and easy way to pay for school meals and below is a brief outline on how you can access the system.

Students can continue to credit their accounts in cash using the revalue machines if you choose not to pay using the online system.

What you need to do now

Activate your School Gateway account. It's quick and easy to do. All you need is your email address and mobile number that school holds on record for you.

- Download the app: If you have a smartphone, please download School Gateway from your app store (Android and iPhone).

OR

- Visit the website: www.schoolgateway.com and click on 'New User'. You will receive a text message with a PIN number. Use this PIN to log into School Gateway.

If you have any queries relating to the online system, please contact Miss Lynette Evans at the school.
