there is no legal obligation to make a voluntary contribution;

students will not be excluded through parents' inability or unwillingness to pay;

students of parents who cannot contribute will not be treated any differently; and where there are not enough voluntary contributions to make the activity possible and there is no way to make up the shortfall, the activity will be cancelled.

Requests made for voluntary contributions made in respect of individual students must not include any element of subsidy for any other students wishing to participate in the activity whose parents are unwilling or unable to pay the full charge.
