

NHS Test, Trace, Protect Consent Form for COVID 19 Testing

This COVID 19 testing programme is being led by the Department for Health and Social Care and the Welsh Government to provide asymptomatic testing in schools for staff and pupils/learners in upper secondary school years and further education.

Taking part in testing is voluntary. There is no expectation or obligation to participate. Nobody should be required to undergo testing without consent, and nobody should be excluded from school if they do not wish to test.

Please read the following sections, complete the questions below and return this form to the school/college as soon as possible:

I have had the opportunity to consider the information provided to me by the school about this testing programme in the letter published on 14th April 2021 and I have watched the video provided by Welsh Government on how to carry out a Lateral Flow Test (LFT):

For parents/carers/guardians of under 16s:

I have discussed the testing with my child and my child is happy to participate. If on the day of testing they do not wish to take part, then they will not be made to do so.

Please sign below if you agree to the following:

1. I consent to my child participating in this testing programme.
2. I have understood that my child's data will be held by Public Health Wales and shared in accordance with the data privacy notice.
3. I agree that if my child's test results are confirmed to be positive, I will inform the school to support contact tracing using the email address: Positive-LFD-Result@yt.flintshire.sch.uk
4. I agree to accurately record all of my child's test results at www.gov.uk/report-covid19-result or by calling 119.
