

18<sup>th</sup> May 2021

Dear Parents, Carers, Guardians

Over the last term, Year 11 students have been working hard to complete the evidence tasks needed for their GCSEs. This week all students will receive their second evidence review report, which will reflect the evidence gathered so far. If you have any concerns regarding these grades, you must let us know as soon as possible, using the comment box provided in the report, so that they can be discussed. We also kindly ask that the report is signed and returned to school to acknowledge that you are aware of the current Centre Determined Grades.

Following this second report, the intention is that all Year 11 students will have completed the required evidence by the end of next week, making **Friday 28<sup>th</sup> May 2021 the last day of school for Year 11**. This means next week will be their final opportunity to catch-up on any missing tasks and ensure they have produced all the evidence their teachers need to award them their final GCSE grades.

After half term, final marking and moderation of student work will take place and a final report will be issued via email to students' Google accounts in the week beginning 14<sup>th</sup> June 2021. This final report will contain the grades being submitted to the WJEC. Again, if there are any concerns relating to the grades contained in the report, they must be communicated to the school as soon as possible.

For all schools and students across the country, this year has presented significant challenges and uncertainty and we are proud of the way in which our students, staff and parents have worked together to make sure that our students leave school with the grades that they deserve. If you have any further questions regarding the process of awarding Centre Determined Grades please do not hesitate to get in touch using the email address [cdg2021@yt.flintshire.sch.uk](mailto:cdg2021@yt.flintshire.sch.uk).

Yours sincerely,

**Chris Colbert**  
Deputy Headteacher
