

14th June 2021

Dear students, parents, carers, and guardians,

This week all students will be issued with their final evidence review report. This report will contain the final provisional grades being submitted to the WJEC. The report will be emailed to students' school Gmail account and a second copy will be posted home.

We would like to take this opportunity to thank all students, their parents, and our teachers for their hard work over the last few months in planning for and completing the evidence tasks required to reach this point. We acknowledge that it has been a stressful time for all involved but hopefully everyone's hard work will be rewarded.

The grades submitted to the WJEC will be confirmed on GCSE results day, Thursday 12th August 2021. On this day an email will be sent to all students confirming their grades. The school building will not be open for students to collect results. Please make sure that you have access to your school Gmail account. If you need help accessing your email account contact onlinelearning@yt.flintshire.sch.uk.

When you review the final report, if you would like to query any of the results you may contact the school to request a Stage 1 Centre Review and Appeals Request form. In order for the school to have time to process and respond to any queries, all Stage 1 appeals forms must be submitted to school by Friday 25th June. When the confirmed grades are published by the WJEC in August, only appeals where the CDG provisional grade is different to the awarded grade will be accepted.

Once again, thank you to all involved for your support during this process and if you have any further questions please don't hesitate to get in touch using the email address cdg2021@yt.flintshire.sch.uk.

Your sincerely,

Mr C.Colbert
Deputy Head Teacher
