

6<sup>th</sup> April 2022

Dear Parents, Carers, and Guardians

Despite our best efforts over the last few days to safely accommodate all students in school, due to additional Covid absences of our own staff and supply staff, we are unable to provide supervision for all lessons and breaks. For this reason, **Year 10 will be moving to online learning on Thursday 7<sup>th</sup> April and Friday 8<sup>th</sup> April.** Work will be set for all timetabled lessons on Google Classroom, the codes for which can be found via the school website.

We appreciate that the ever-changing situation is not ideal, and kindly ask for your support while we do our best to keep as many children in school as possible. Where it is necessary to ask students to work from home, we are mindful that Year 11 have exams shortly after the Easter break, and many parents may be hesitant about leaving younger students in Year 7 alone during the day. For these reasons we have tried to share the home learning time between the other year groups up to this point. Hopefully, following the Easter break we will be past the worst and able to return to full opening.

Once again, thank you for your ongoing support, and if you have any questions please get in touch.

Yours sincerely

John Weir  
Head Teacher
