Year 10 Science Mock and External Exams

Dear Parents, Carers and Guardians

This June all Year 10 students will sit their first three external Science exams. These will be worth 45% of their overall Science Double Award qualification. In preparation for these external exams, and as part of their AP3 assessments, students will be completing Science mock exams on the dates shown below. To benefit fully from this experience, it is important that students commit time and effort to their revision and use all the materials available to them, links to which can be found below.

Mock Exams

Date	Mock Exam
Monday 9 th May	Physics mock exam
Tuesday 10 th May	Biology mock exam
Wednesday 11 th May	Chemistry mock exam

External Exams

Date	External Exam	Overall weighting towards Science Double GCSE grades
Wednesday 15 th June	Unit 1. Biology	15%
Friday 17 th June	Unit 2. Chemistry	15%
Monday 20 th June	Unit 3. Physics	15%
